80205

2717 Welton St.  
Denver, CO

## CLQIC MEETING NORMS

1. We will turn off or silence our cell phones.
2. We will not place barriers between ourselves and others and so will not use laptops or tablets.
3. We will arrive on time so we can begin on time.
4. We will end on time and not leave early.
5. We will respect one another by not interrupting.
6. We will respect one another by not monopolizing the conversation.
7. We will respect one another by not having side conversations when someone is speaking.
8. We will speak for ourselves and not for others by always using 'I' language, owning what we say.
9. When reflecting on what another person has said, we will say what we hear them to have said and check with them that our hearing is correct.
10. We will honor the use of name tents to indicate when we wish to speak.
11. We will respect other process tools implemented by the facilitator.
